

Dear Teacher,

This student is in the process of applying to the Marin School of Environmental Leadership (MarinSEL). As part of the application process, students are required to submit one (1) teacher assessment, filled out by a teacher of their choosing. This student is requesting that you fill out this assessment as it will be submitted as a required component of their application.

MarinSEL is a unique “school within a school” or a magnet school located within Terra Linda High School in San Rafael, California. MarinSEL seeks to incorporate rigorous academics in a project-based educational curriculum designed to produce academic success and leadership. MarinSEL students are required to maintain a 3.0 grade point average, and will be expected to demonstrate self-motivation, enthusiasm, and the ability to work cooperatively with classmates. With this in mind, please honestly and truthfully fill out this assessment.

Thank you for taking the time to fill out this assessment. Your feedback on students is valuable to the MarinSEL program.

Please Note: Your responses are **CONFIDENTIAL**.

Please email this form by **JANUARY 11, 2019** to [admissions@thesel.org](mailto:admissions@thesel.org). Or send by mail to:

Marin School of Environmental Leadership  
C/O Strategic Energy Innovations  
899 Northgate Drive, Suite 410  
San Rafael, CA 94903

**Teacher Assessment**

## Teacher Assessment

**Directions:** Please answer each question truthfully, circling which answer best fits the student.

1. Please Rate the applicant's ability to be an engaged, active listener and supportive responder. (1 = is not engaged, active, or supportive; 5 = is highly engaged, active, and supportive).

1      2      3      4      5

2. Please rate the applicant's ability to work collaboratively and respect different abilities and perspectives. (1 = not collaborative or respectful; 5 = highly collaborative and respectful).

1      2      3      4      5

3. Please rate the applicant's ability to take risks, accept failures, and implement solutions. (1 = does exhibit these abilities; 5 = strongly exhibits these abilities).

1      2      3      4      5

4. Please rate the applicant's ability to understand and deconstruct larger problems into manageable tasks. (1 = cannot understand or deconstruct problems; 5 = highly skilled at understanding and deconstructing problems).

1      2      3      4      5

5. Please rate the applicant as compared to other students you have taught. Circle one.
